E & E

**MEMORANDUM FOR:** Deputy for Materiel, OSA

**SUBJECT** : Transfer of International Scout QPV from  
[ ] Control to Operations, OSA

1. The International Scout and trailer, originally purchased for use in the E&E Survival Training at [ ] was replaced at the detachment's request by a Dodge Power-wagon. The trade-in offered for the Scout was so small that it was decided to keep it for other use. Subsequently it was transferred to [ ] Unfortunately, [ ] found little utilization for the vehicle and declared it surplus.

2. Because the Intelligence Division, in supporting the Resistance to Interrogation Training, has frequent need for a [ ] vehicle at [ ] I arranged with [ ] to have the Scout and trailer returned to Headquarters. By using this instead of rental vehicles we anticipate annual savings of approximately one thousand dollars.
